9	Orthodontic Society	2016	Dental Association Associate	Participant
10	Orthodontic Society	2016	Dental Association Associate	Participant
11	Conference Yarmouk	2014	College of Yarmouk University	Participant
12				
13				

**Sixth: Thesis which was supervised by :**

No.	Thesis Title	Department	Year
1	Photographical analysis of macro and micro aesthetic appearance in sample of Iraqi Adults with Class I	Orthodontic department	2016

2	The frontal sinus dimensions in mouth and nasal breathers	Orthodontic department	2013
3	Clinical and Radiographic Survey for Dental Anomalies in	Orthodontic department	2010
4	Pharyngeal airway volume and its relationship to the facial	Orthodontic department	2014
5	Quantitative assessment of Mutans Streptococci adhesion to coated and uncoated orthodontic archwires	Orthodontic department	2015
6	Evaluation of canine retraction rate and molar anchorage loss on implant and non-implant sides for Iraqi adult	Orthodontic department	2012
	Shear bond strength of different lingual buttons bonded to	Orthodontic department	2013
	Evaluation of golden proportion of maxillary anterior teeth in different morphological facial types in a sample	Orthodontic department	2016
	Occlusal Features in a Group of Iraqi School Children in Baghdad City	Orthodontic department	2006
	Assessment of corrosion in esthetic coated nickel titanium orthodontic archwires in dry and wet	Orthodontic department	2015
	Effect of Orthodontic Appliances on Dental Plaque Microflora - Orthodontic Patients	Orthodontic department	2002
	Characteristics of Malocclusion in Iraqi Orthodontic Patients Anteroposterior Dental Arch Relationship	Orthodontic department	2005
	An Evaluation of Ion Released from Two Brands of Brackets in Three Types of Mouthwashes	Orthodontic department	2015
	Characteristics of Malocclusion in Iraqi Orthodontic Patients Anteroposterior Dental Arch Relationship	Orthodontic department	2005

### Seventh: Research published inside and outside Iraq

N.	The title of research	The journal	Volume	Issue	Issuer
1	Photographical analysis of macro and micro aesthetic appearance in sample of Iraqi Adults with Class I normal occlusion (a cross-sectional study)			2016	
2	The frontal sinus dimensions in mouth and nasal breathers in Iraqi adult subjects			2013	
3	Clinical and Radiographic Survey for Dental Anomalies in Iraqi Orthodontics Patients			2010	

<b>N.</b>	<b>The title of research</b>	<b>The journal</b>	<b>Volume</b>	<b>Issue</b>	<b>Issuer</b>
4	Pharyngeal airway volume and its relationship to the facial morphology in nasal breathing and mouth breathing subjects (A comparative computerized tomography study)			2014	
5	Quantitative assessment of Mutans Streptococci adhesion to coated and uncoated orthodontic archwires (In vitro study)			2015	
6	Evaluation of canine retraction rate and molar anchorage loss on implant and non-implant sides for Iraqi adult sample (A clinical and comparative study)			2012	
7	Shear bond strength of different lingual buttons bonded to wet and dry enamel surfaces with resin modified glass ionomer cement (in vitro comparative study)			2013	
8	Evaluation of golden proportion of maxillary anterior teeth in different morphological facial types in a sample of class I normal occlusion (photographic, cross sectional study)			2016	
9	Occlusal Features in a Group of Iraqi School Children in Baghdad City			2006	
10	Assessment of corrosion in esthetic coated nickel titanium orthodontic archwires in dry and wet environment at different intervals (An In vitro study)			2015	
11	Effect of Orthodontic Appliances on Dental Plaque Microflora - Orthodontic Patients			2002	
12	Characteristics of Malocclusion in Iraqi Orthodontic Patients Anteroposterior Dental Arch Relationship			2005	

N.	The title of research	The journal	Volume	Issue	Issuer
13	An Evaluation of Ion Released from Two Brands of Brackets in Three Types of Mouthwashes			2015	
14	Characteristics of Malocclusion in Iraqi Orthodontic Patients Anteroposterior Dental Arch Relationship			2005	

#### **Eight: contributing in community service**

N.	Type of Service	The Date
1	Examination of teeth of Kindergarten	2008
2	Examination of primary school student	2013
3		

#### **Ninth: other activities**

N.	Type of Activity	The Date
1	Central Scientific Committee	2012-2016
2	Scientific Committee in orthodontic department	2012-present
3	Examination Committee of equivalence of external certificates	2015-present
4	Examination Committee of E-Exam	2017-2019

#### **Eleventh, Membership:**

- Member of Iraqi Dentists Syndicate.
- Member of the Iraqi Association of Orthodontists.
- Member of the Arabic Association of Orthodontists.
- Member of the American Association of Orthodontists
