College of dentistry university of Baghdad	1996-19999	Join the department as post graduate student	Post graduate student for the M.Sc
College of dentistry ,university of Baghdad	1999.2000	Join the department of the oral medicine as specialized	Specialized oral medicine
College of dentistry ,university of Baghdad	2000-2004	Oral medicine specialized and ph.D student	Oral medicine specialized
College of dentistry ,university of Baghdad	20004-2006	Lecturer in oral medicine	Oral medicine specialized
College of dentistry ,university of Baghdad	2006-2008	Oral medicine specialized	Oral medicine specialized
College of dentistry university of	2008-2013	Assistant prof	Assistant prof at the college of dentistry

Baghdad			
College of dentistry ,university of Baghdad	2013-2018	Full prof	Full prof at the college of dentistry university of Baghdad

B.CLINICAL /working in the field of dentistry in the college of dentistry university of Baghdad /Baghdad teaching hospital and the ministry of health for more than 25 years , expertise in different branches of dentistry like implantology, oral surgery . crown and bridge , pediatric, prosthetic periodontology , ... ect

Research experience

M.Sc research .

Prevalence and microbiology of the oral mucosal lesions in a sample of complete dentures wearers

Ph.D research

Cytological ,cytogenic and biochemical analysis of Behcets disease and recurrent aphthous ulceration

Supervision of many post graduate students including

Supervision of 12 master students

Supervision of 5 diploma students

Supervision of 5 ph.D Thesis

Researches

Evaluation of the lipid bound sialic acid tumor marker in sera of acute lymphocytic patients

Oral finding and health status among elderly Iraqi patient

Burning mouth syndrome in Iraqi patients , a preliminary study of 38 patients

Oral manifestation , biochemical and IL-6 analysis of saliva in epileptic patients under treatment

Salivary IgA and alkaline phosphatase level in thalassemia major patients

Oral manifestation ,microbial study and salivary IgA study in lymphoma patients receiving chemotherapy

Oral manifestation , microbial study and enzyme analysis in patients with peptic ulcer

Oral manifestation biochemical and IgA analysis of saliva in hyperthyroid GRAVES disease .comparative study

Oral manifestation ,biochemical and IL-6 analysis of saliva in major depressive patients under treatment

Oro-facial manifestation , microbial study and salivary enzyme analysis in patient with B thalassemia major

Salivary immunoglobulin A assessment in lymphoma patients before and after chemotherapy

Oral manifestation , microbial study and salivary IgA study in asthmatic patients receiving prednisolone

A comparative study between topical application of aloe vera gel and dexamethasone injection in patients with ulcerative oral lesions

The effect of carrageenan on the oral manifestation immunological markers and biochemical markers on patient under chemotherapy Hodgkin's and non-Hodgkin's lymphoma

Salivary immunoglobulin assessment in lymphoma patients before and after chemotherapy

Influence of TMJ disorder on the Bennett angle measurement and horizontal condylar inclination determined by cadiax compact 2 in patients with TMJ disorder

Clinical evaluation of the disease activity in patients with secondary sjogrens syndrome associated with rheumatoid arthritis in relation to melatonin nitric oxide ,alpha amylase and total salivary protein

.A comparative study between topically applied aloe vera gel and injectable dexamethasone in patients with ulcerative oral lesions

Dr malath NABIL Jafar .Fawaz D.AL-ASWAD

International journal of scientific engineering and research (IJSER) ISSN (online):2347-3878

13.The effect of the carragennan on lymphoma patients under chemotherapy (a case seies study)

Journal oral dental research 2017(ISSN2310-6417,issue 2,vol.4,2017)

14.influence of myofascial pain disorder on mandibular border movement and Bennett angle values

International Journal of Science and Research (IJSR)

ISSN (Online): 2319-7064

Volume 6 .May 2017

www.ijsr.net

15.The incidence of secondary Sjogren syndrome in relation to disease activity & disease duration of Rheumatoid arthritis patients.

Author Name (s): Fatma A. Abdulkareem 1,Fawaz D. AL-Aswad2, Mohammed H. Alasami 3

Volume / Issue: Volume 6 Issue 5, May 2017

16.Estimation of salivary alpha –amylase ,salivary total protein in secondary sjogrens syndrome and rheumatoid arthritis

International journal of science and nature volume 8-2-.june 2017

17.Mandibular border movement and horizontal condylar inclination values of patients with degenerative joint disease

International journal of science and nature volume 8-2-.jun. 2017

18.prevalance of candida albicans in saliva of hemophiliac patients

19.the effect of carrageenan on lymphoma patients under chemotherapy

volume 4 . issue 2. 2017

20. Estimation of salivary IgA in hemophiliac patients under treatment

ISSN .online .volume 7 issue 1

21.Acomparative study between topically applied aloe vera gel and injectable dexamethzone in patients with ulcerative oral lesions .volume 5.issue 11 november 2017

22. Available online at www.ijmrhs.com

International Journal of Medical Research & Health Sciences

• IJMRHS •

International Journal of Medical Research & Health Sciences, 2019, 8(2): 13-20

ISSN No: 2319-5886

Determination the Condyle Position and Measurement of Joint Space by CBCT in Patients with Disk Displacement Compared with Healthy control group

Haider Mahde Idan* and Fawaz D. Al-Aswa

23.Indian journal of public health research and development

Radiographical findings in patients with temporomandibular joint clicking compared with control group by cone beam computed tomography (CBCT)

Volume 10 ,No 4.April 2019 issue .

- .Supervision of many undergraduate students In their clinical research**
- .Attendance of many scientific seminars in the field of dentistry and subspecialty of oral medicine**
- .Attendance of many local and international conference in dentistry**
- .Scientific courses in my specialty**
- .Many learning courses in the field of dentistry**
- .Continue education courses**
- .Scientific evaluation of many researches in the field of dentistry**
- .Contributing of many scientific committees for discussion of master and ph.D thesis' in Baghdad university and other universities**
- .Scientific discussion of many research protocols of master and ph.d thesis**
- .Contributing in the book curriculum of the oral medicine**
- .Working in the scientific committees in the oral medicine**
- .Working in committees regarding evaluation of the scores in the college of dentistry**
- .Many learning courses in the Iraqi dental association and the college of dentistry**

Many published researches in many dental magazines

22 published researches

Administrative experience

Registrars of the department of the oral diagnosis

Member of the scientific committee of the college of dentistry

Member of the examination committee of the college of dentistry

Member of the faculty of dental surgery of the royal college of physicians and surgeons of Glasgow MFDS . RCPS (GLASG)

Publication

2011 one paper

2012 3 papers

2013 4 papers

2014 1 paper

2015 1 paper

2016 2 paper

2017 2 paper

2018 2 PAPER

Awards

From the college of dentistry university of Baghdad for the active participation in the sixth scientific conference for the higher studies of dentistry on 9-12-1996

From the university of technology computer centre for the distinctive effort in the courses of the computer for the post graduate student on 19-6-20000

From the president of the university of Baghdad for the distinctive effort in the course of methods of teaching for new teachers organized by the university centre on 22-5-2002 ,I was given a promotion for that
