

Prof. Francesco Mannocci

Prof Francesco Mannocci (MD, DDS, PhD, FHEA) is a Specialist in Endodontics and Restorative Dentistry. He obtained his MD (Pisa, Italy, 1986) and DDS (Pisa, 1990) in Italy, and his PhD in Clinical Dentistry from King's College London in 2001. After having worked in private practice in Pisa for 18 years while collaborating with the University of Siena as a Visiting Professor he became Lecturer in Endodontology at King's College London in 2004, Senior lecturer/Honorary Consultant in 2006, Head of Endodontology in 2008, and Professor of Endodontology at King's College London in 2011.

Prof Mannocci has authored more than 130 papers in international peer reviewed journals. Prof Mannocci is Associate Editor of the International Endodontic Journal and past President of the British Endodontic Society.

Prof Mannocci is the Head of one on the largest postgraduate training centers in the world and has done research work on subjects including restoration of endodontically treated teeth, instrumentation techniques, dental anatomy, histology, endodontic radiology and endodontic microbiology.
