

## Curriculum vitae C.V.

Name: Sahar Shakir Ghani Aladili

Birth date: 8/12/1959

Marital status: Married

Religion: Muslim

Specialty: dentistry/ oral and maxillofacial surgery

Position: Teaching faculty member / assistant professor

Academic degree: Assistant Professor

Job address: University of Baghdad/

College of dentistry

Mobile: 07905808446

Email: [dr.saharshakir@gmail.com](mailto:dr.saharshakir@gmail.com)

### Education:

- Masters - University of Baghdad - College of Dentistry - 1989
- Bachelor's degree - University of Baghdad - College of Dentistry – 1982

## Teaching position progress

- Teaching assistant at the Faculty of Dentistry - Surgery Branch - 1982 to 1989
- Faculty Member, Surgery Branch - 1989 to 2000
- Faculty member (teacher) - 2000 to 2007
- Faculty Member (Assistant Professor) - 2006
- Head of Surgery Branch 2010-2013
- Faculty Member (Assistant Professor) 2013-2016
- Head of Surgery Branch 2016-2018
- Faculty Member 2019
- Head of Surgery Branch 2019 – Present

## Teaching curriculum

- Oral surgery for the third grade - from 1989 to 2003
- Oral surgery for the fourth grade -2003 to 2013
- Oral surgery for the fifth grade - from 2007 to 2020
- Oral and Maxillofacial Surgery for Postgraduate Students (Master and Diploma) - from 2008 to 2009 and from 2012-present.

### Academic Theses under my supervision:

- Injuries of projectiles in the lower area of the face, the double effect -  
Department of Surgery - 2007
- Clinical and radiographic evaluation of success rates in operations around  
the division of the roots of the teeth using the microscope - Department of  
Surgery - 2007
- The local effect of tramadol on the cessation, onset, emergence and  
continuation of local anesthesia after wisdom tooth-lift surgery -  
Department of Surgery - 2008
- Evaluation of the immediate treatment of injuries to the soft tissues of the  
face and jaws - Department of Surgery – 2008

### Research projects in the field of specialization to serve the environment and society or to develop education:

- The incidence of the jaw abnormalities by the use of panoramic  
radiographic survey:

Published in journal of Baghdad College of dentistry 1989

- Evaluation of chlorhexiden as mouthwash on the incident of dry socket

Published in journal of Baghdad College of dentistry vol 5– 1999

- Prevalence of intra oral distribution of hyper sensitive teeth

Published in journal of Baghdad College of dentistry vol 14 pg 65 -  
2002

- The incidence of impacted teeth among dental students

Published in journal of Baghdad College of dentistry 2002

- Initial evidence of primary hyper-parathyroidism presented as giant cell

Published in journal of Baghdad College of dentistry vol 13 pg 110  
– 2002

- Prevalence static bone defect of the mandible

Published in journal of Baghdad College of dentistry 2003

- Augmentation of localized bony defect with synthetic bone substitutes

Published in journal of Baghdad College of dentistry vol 27 – 2015

- Evaluation of dental implant stability by osseel device

Published in journal of Baghdad College of dentistry vol 27– 2015

- Estimation of C.R.P in blood of patient undergoing surgical procedure

Published in journal of Baghdad College of dentistry 2016

- Ridge splinting (expansion by the use of piezoelectric device)  
Published in journal of Baghdad College of dentistry 2016
- Evaluation of Crestal Bone Resorption around Dental Implants in Flapped or Flapless Surgical Techniques Depending On Cone Beam C.T. Scan  
Published in Journal of Global Pharma Technology 2019
- Evaluation of Healing Process of Periapical Defects Filled by Platelet Rich Fibrin Using Cone Beam Computed Tomography. A Comparative Study  
Published in Indian journal of public health research and development  
2019
- The Effect of Sub-Mucous Dexamethasone Injection on the Post-Operative Sequelae after Impacted Third Molar Surgery  
Published in Indian journal of public health research and development  
2020
- Efficacy of Simvastatin and Gel Foam Combination (Local Application) On Bone Density after Surgical Removal of Mandibular Third Molar  
Published in Journal of research in medical and Dental science 2020

- Low Level Laser Therapy on Post-Operative Trismus and Swelling after Surgical Removal of Impacted Lower Third Molar

Published indian journal of public health research and development 2020

- Effect of Platelet Rich Plasma versus Platelet Poor Plasma on the Dimensional Ridge Alterations Following Tooth Extraction (an Experimental Study in Dogs)

Accepted for publication International medical journal 2020

- Clinical and Histomorphometric Evaluation of Effects of Platelet Poor Plasma and Platelet Rich Plasma on Healing of Extraction Sockets With Buccal Dehiscence. (An Experimental Study in Dogs)

Published Journal of research in medical and dental science 2020

- A randomized case controlled clinical trial of the effects of preemptive etoricoxib, prednisolone and a control group on the post-operative sequelae after surgical removal of impacted mandibular third molar

Accepted for publication in medicolegal update journal 2021

## Conferences and Scientific symposiums:

- Postgraduate Conference -1989 - College of Dentistry - Presentation of research
- Conference of the Faculty of Dentistry - 1998 and 2010 - Faculty of Dentistry - Participation in the discussion
- Dental Implant Conference - Yarmouk University College 2014
- Medical City Conference - Al-Mustansiriya University 2014
- Participation in the elites and competencies conference 2014
- The joint conference of the College of Dentistry and the Dental Association 2017
- College of Dentistry Conference 2019
- Medicine City Conference 2019
- Postgraduate Conference 2019

## Other scientific activities:

- Curriculum study and modification
- Participation in workshops - surgery branch
- Member of the Central Scientific Committee of the College of Dentistry
- Member of the Scientific Promotion Committee of the Faculty of Dentistry
- Member of the Scientific Committee of the Surgery Branch
- Member of the Board of the Faculty of Dentistry Fund
- Member of the Central Committee of the Cooperation Mechanism with Universities

- Member of the Certificate Equivalency Committee for International Students
- Member of the examination committees for the examination of students applying for postgraduate studies
- Member of the Preparatory Committee for Dental Implant Seminars
- Member of the Preparatory Committee for Continuing Education Courses
- Discussions of postgraduate students 4 year 2014
- Discussions of postgraduate students, number 4, 2015
- Discussions of postgraduate students, number 5, 2016
- Discussions of postgraduate students 3rd year 2017
- Discussions of postgraduate students 3rd year 2018
- Discussions of postgraduate students 4th year 2019
- Discussions of postgraduate students 5 year 2020

### Local and foreign comities

- Membership of local and international scientific bodies
- Member of the Iraqi Dental Association
- Dental Association member

### Certificates of appreciation and awards:

- A letter of thanks from the Deanship of the Faculty of Dentistry - 1995
- A letter of thanks from the Deanship of the Faculty of Dentistry -2013

- A letter of thanks from the Presidency of the University of Baghdad - 2019
- A letter of thanks from the Deanship of the Faculty of Dentistry -2020
- A letter of thanks from the Deanship of the Faculty of Dentistry -2020
- A letter of thanks from the Minister of Higher Education and Scientific Research-2019
- A letter of thanks from the Minister of Higher Education and Scientific Research - 2020
