THE 23rd ANNUAL
**INTERNATIONAL
DENTAL
CONFERENCE**

Day 1 (Friday) 12th May

8:00-9:00 Registration

9:00-10:30 Session 1

Chair:

Prof Dr Dhiaa Hussein

Prof Dr Sahar Alani

Asst Prof Dr Hasanain A Hadi

9:00-9:30 Micro-implant Assisted Rapid Palatal Expansion (MARPE) - The failures and successes

Prof Dr Akram Alhuwaizi (Iraq)

9:30-10:00 Dentoskeletal and soft tissue changes after treatment of crowding with premolar extractions: a 50-year follow-up. Asst Prof Dr Nameer Al-Taai (Sweden)

10:00-10:30 Endodontic Challenges
Dr Adil Alani (UAE)

10:30-11:30
Opening Ceremony

11:30-12:00
Coffee Break & Exhibition Opening

12:00-2:00 Session 2

Chair:

Prof Dr Anas Falah

Prof Dr Hanan Abdul-Rahman

Asst Prof Dr Ahmed H. Ali

12:00-1:00 Root Fractures: A New Look at a Growing Problem.
Prof Dr Essam Zaatar (Egypt)

Day 1 (Friday) 12th May

1:00-2:00 R2C full digital: From endo to restorative in simple steps.
Dr Marco Martignoni (Italy)

2:00-3:00 Lunch Break

3:00-5:00 Session 3

Chair:

Prof Dr Akram Alhuwaizi

Asst Prof Dr Manhal Abdul-Rahman

Asst Prof Dr Ali Abbas

3:00-3:20 Case series regarding the role of maxillofacial surgeon
Cons. Dr Sabah Abdul-Aziz Issa (Iraq)

3:20-3:40 The importance of using Damon system in border line cases
Asst Prof Dr Hussein Alnajjar (Iraq)

3:40-4:00 Prevalence of apical periodontitis in root canal treated teeth.
Asst Prof Dr Ahmed H. Ali (Iraq)

4:00-4:20 Evidence Based Dentistry: Improving Restorative Outcome
Dr Akram Altamimi (Iraq)

4:20-4:40 Different scenarios in different situations. Dr Abdul-Wadud Abdul-Qader (Iraq)

4:40-5:00 Feldspathic porcelain in modern dentistry.
Dr Ali Hani Hasan (Iraq)

Day 2 (Sat.) 13th May

8:00-9:00 Registration

9:00-11:00 Session 1

Chair:

Prof Dr Hussein Alhuwaizi

Prof Dr Haider F Saloom

Asst Prof Dr Ihsan A AlKhuzai

9:00-9:20 Tuberculosis of the maxillofacial region: A 20-year experience
Prof Dr Bashar Hamid (Iraq)

9:20-9:50 Remineralize with SEP: An Orthodontic Perspective
Prof Dr Ali I. Al-Bustani (Iraq)
Asst Prof Dr Noor MH Garma (Iraq)

9:50-10:10 Oral psychosomatic disorder Clinical cases.
Asst Prof Dr Muhasad Al mudhafar (Iraq)

10:10-11:00 Save It or Extract it? A Multi-disciplinary Approach "Precise Decision-Making" Introducing a Novel Model in Dentistry.
Dr Mohammad Nekoofar (Iran)

11:00-11:30
Coffee Break & Poster Presentations

11:30-1:45 Session 2

Chair:

Prof Abdul-Kareem Alazzawi

Asst Prof Dr Abdullah Wajeih

Asst Prof Dr Ameena Raihan

برنامج المؤتمر العلمي الدولي الثالث والعشرون لكلية طب الاسنان/جامعة بغداد

The 23rd Annual
International Scientific
Dental Conference

The 23rd Annual
INTERNATIONAL
DENTAL CONFERENCE
12-13 May 2023

Is held by College of Dentistry-University of
Baghdad to bring international expertise together to
draw new interdisciplinary frame of scientific dental care

KEYNOTE SPEAKER

Prof. Dr. Adil Alani (UAE)
Specialist endodontist,
Private clinical centre,
Alain, UAE

Lecture; Endodontic Challenges

THE VENUE

Al-Abrar Conference Complex -
Al Jadriyah district - Jarfala Street
next to Baghdad Traffic Directorate
and Al-Abrar Mosque

Aims

Showcase college faculty scientific output
expertise Exchange with international
researchers
Bring the academic capabilities of our
researchers up to date

Registration

Attendees can register upon arrival
at the venue during conference days.
Further assistance if needed will be
provided to you on site
